We Answer with Quality

WHY CHOOSE QUALITY ALUMINUM PRODUCTS?

We manufacture a full line of aluminum and steel products including aluminum siding, soffit, fascia, trim coil and rain carrying products.

The Clark family has been active in the building products industry for over 65 years. Bud and Bob Clark began their careers with Wolverine Aluminum in the 1950's, and started Clark Brothers Metal Fabricators in 1971. They began manufacturing residential building products in plants located in Grosse Ile, Michigan and Sarasota, Florida and had distribution centers in Nashville, Jacksonville and Tampa, Florida. Clark Brothers was acquired by World Mark Corporation in 1984 and the Clarks stayed on in management roles until 1990 at which time they resigned, starting Quality Aluminum Products in 1991. With two facilities in Flat Rock and Hastings, Michigan, we have been able to grow and expand in many markets throughout the country with great success.

We currently service the Midwest, from the East coast as far as Idaho, and southern markets like Georgia, Alabama and North Carolina.

Three important factors rank Quality Aluminum as a leader in the building products industry. Most important is our product quality: we manufacture residential and light commercial products to the highest industry standards. Our Home Ventilation Institute certified vented products are key to protecting your most valuable asset...your home. With a large selection of products and our wide range of designer colors, we can assure your home will stand above the rest. Second is our competitive pricing: we strive to sell a high quality product at a fair market value. Last is our exceptional, second to none service. We can tailor our service to meet your specific needs, less than carton quantities, custom bending, special orders and convenient delivery or pick up options.

We take pride in our business are dedicated to our partners and our many loyal distributors who value our strong commitment to the industry. If you demand excellence in product, pricing and service – choose Quality Aluminum Products. Please contact us at 1-800-550-1667.

Quality Aluminum Products is a manufacturer of residential aluminum and steel building products.
