Subject: RE: [EXTERNAL] Request for Approval of New Fencing - 506 Parkview Drive
Date: Thursday, September 8, 2022 9:48:00 AM

Good Morning Kelsey, Jose,

Thank you for this submission to the Historic District Commission. Staff will review the materials and notes in the email below, and get back to you shortly with any questions.

Regards,

Ben Buckley

Hello-

As the owners of 506 Parkview Drive in the Joseph Berry Subdivision we are submitting an application for approval of new fencing around the property. There is no existing fencing and the property is wide open to anyone to walk in at any time of the day or night. As we continue to invest hundreds of thousands of dollars in the renovation and restoration of this landmark house we have a strong need for more security.

We have selected a style of steel/wrought iron fencing that should be very compatible with the historic guidelines. The main thing we are concerned about is that we really want the 5-6 ft high fencing to continue to the front of the property near the sidewalk. That is already the case with more than 50% of the properties along this block, including a new 8 foot high steel fence just installed along the sidewalk at the end of the block by the Great Lakes Water Authority outside their historic structure.

Please review the attached application and let us know the next steps.

Regards

Edward Kelsey and Jose Garcia
