Written Statement:

All windows in the home are not operable, they appear to be the original windows and have either cracks, shattered glass, or leak seals. Some windows in the upper levels are also missing allowing animals to come into the home. It would also be more economically friendly in regards to utilities to replace the windows to conceal any air drafts cutting down on bills.

Good afternoon Mr. Johnson and Mr. Hunter,

Thank you for this application and the supporting materials. Are you able to send along photographs of the windows that are in place now, along with a written statement about why you are looking to replace the windows?

Thanks in advance, and don't hesitate to reach out with any questions.

Best,

Ben
