Good afternoon Mr. Conway,

I did located] the application in the office, as well as the photograph you sent along. At this point, we have everything we need. The case is scheduled to be heard at the November 8th Commission meeting. Staff may reach out prior to the meeting to clarify any details. I did notice there was some concrete work listed in the scope of work. Would this be a replacement of the sidewalk and/or driveway?

Thanks in advance for the clarification.

Good morning Mr. Conway,

Thank you for these photos. Can you complete the applicable portions of the attached form (no need to notarize), and type out a description of the work that was completed, as well as any additional exterior work you have planned for the property? You are also welcome to print the form and bring it to our office if that is easier.

Thanks in advance,

Benjamin Buckley
