JCA Enterprise Construction, Inc. Resume.pdf;

Good afternoon Miss Ross this is the resume of my company and the price that I've been getting to do a slate roof was like \$67,000 to remove and replace and to repair those valleys East Valley is about 2600 labor and material plus repairs and replacements of slate from 7:00 to \$10,000 based on how much square footage had to be removed place the valves front Gable and back values
