## Ultimate French Casement Windows

The Ultimate French Casement window cranks open from the center like a French door, with no center vertical post to block the scenery, and an outswing motion that helps save space indoors.

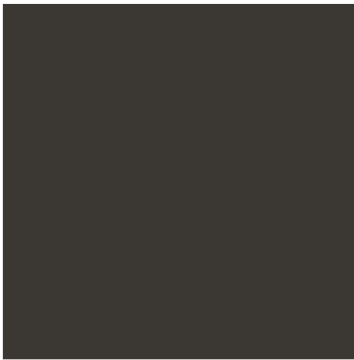

- Extruded aluminum exterior and wood interior
- Fits openings up to 6 feet wide by 7 feet high
- Pairs classic architectural beauty with today's performance and energy efficiency
- Crank-out operation offers control over the angle of the open window
- Also available in round top shapes as a custom order

Find Marvin products in your area and request a price quote. Connect with a dealer near you to get started.

### Exterior Finish

#### Clad Color Options

Bronze

A high-quality window deserves a dependable finish. Our low maintenance clad-wood products feature an extruded aluminum exterior finished in commercial-grade paint for superior resistance to fading and chalking. Our palette of nineteen color options spans from muted, earthy tones to bold, rich colors and three pearlescent finishes. Custom color matching is also available to meet any design vision.

**Selected:** Bronze
