## Estimate

Estimate No: 3594  
Date: 10/22/2024

**For:** Jonathan Taylor / New Lincoln Window  
2310 Edison St  
Detroit MI 48206  
United States  
+13132313208

Description	Quantity	Rate	Amount
<p>Scope of work</p> <p>New Lincoln wood / wood window Note not include but different document will show the cut outs for each window per Lincoln windows</p> <p>Total count is 47units meaning each window itself not openings ( D two 35 s ) I order with drawings</p> <p>Please note there is a set of four pictures for all four sides of the house And four sets of graph paper drawings with numbers they coincide with each line item the cut sheets for the new Lincoln window follow pretty close to in order</p> <p>Contractor note ----- Old wood sash window assessment All ropes for counter balancers are off</p> <p>Brick moulding 50 % gone or broken</p> <p>Sashes maybe 10 are ok all uppers hand three vertical or four vertical</p> <p>A good 65% plus of the frames are damage from the previous contractor. Just ripping the old windows out.</p> <p>All aluminum and add on trim will need to be removed</p> <p>Things will coincide with pictures and drawings sizes too</p> <p>Customer has new vinyls / with wood that were installed recently some are to the stud so these are not a situation with the frame is in place the frame box for the original wood sash is gone and will need to re fab for sash and weights</p>	1	\$0.00	\$0.00
