Good morning,

As I am sure you are aware, we adjourned our application from December until the meeting in March. Since then, we have modified the size of the display that we would like to install. The original application was for a 14' by 48' digital display. We would like to modify that to a 10' by 36' display that does not have any skirting on the underside of it. Please use the new rendering for your review.

If you need anything else, please let me know.

Thank you,

**Eric Allen** *Real Estate Manager*
