## **Maintenance repairs require closing Madison Avenue ramp to northbound I-375 in Detroit Monday**

**DETROIT, Mich.** - Weather permitting, Michigan Department of Transportation (MDOT) contract crews will close the [Madison Avenue ramp to northbound I-375](#) at 7 a.m. Monday, June 12. The ramp closure is necessary to allow crews to safely repair bridge piers that support the ramp above southbound I-375

Ramp traffic will be detoured via southbound Beaubien Street to eastbound Lafayette Boulevard back to northbound I-375. The ramp is expected to remain closed until early July.

In addition to the ramp closure, the left lane of southbound I-375 will be closed at Madison Avenue, along with the northbound and southbound I-75 ramps to southbound I-375, until late June.
